- W E L C O M E to M F Farm -

Nothing will please us more than to welcome you to M F Farm and the Central Ontario Shorthorn Sale.

This will mean that we are having two firsts. The first zone Shorthorn sale in Ontario and the first time that the new Shorthorn barn has been shown for an exclusively Shorthorn occasion. The barn has been through two winters and I must say many of the ideas incorporated in it have worked even beyond our expectations.

I have personally inspected most of the cattle offered in this consignment and you can rest assured that they are an excellent offering with good size, are growthy and represent the best blood-lines in this area of Ontario. You will be pleased with them.

We are very happy to host the first zone sale.

W. S. Sutherland,  
Farm Manager.

- F O R E W O R D -

The Central Ontario Shorthorn Club is pleased to present this Consignment Sale of Shorthorn breeding stock. This sale is being held under the Pure Bred Beef Cattle Sales Assistance Policy. All cattle have been inspected by a representative of the Live Stock Commissioner. They have been found sound in every way.

These cattle represent some of the top herds and sires of the Province of Ontario. You can rest assured that the cattle you may buy will be most profitable to you whether you own a pure bred or commercial beef herd.

President

Kenneth E. Deacon,  
Unionville, Ontario.

Secretary-Treasurer

Mrs. Gaye Pimmett,  
Milliken, Ontario.

Sales Manager

Roslyn Flett,
